Continuing Education Courses

The XPdent Training Facility includes a laboratory complete with model preparation, burnout, casting and ceramic areas, in addition to the 12 workbench areas. The workbenches are arranged in a manner where attendees can sit and have ample space for equipment and hand tools while still maintaining a close knit classroom environment. All our Hands-on courses are approved by the National Board of Certification in Dental Technology and the Florida Office of Dental Laboratories.

Courses Include

Implant Bar Design and Advanced Attachment Course

How to Fabricate an Overcasting over existing Implant Bars
